

JOGOO ROAD GREEN PASTURES

Growing Together — Saving, Serving, Succeeding

Group Profile

Who We Are

Jogoo Road Green Pastures is a community self-help group based in Makadara, Nairobi, formed on 12 February 2023. What began as a small circle of neighbours pooling their savings has grown into an 18-member group committed to economic empowerment, financial inclusion, and social support.

Through disciplined savings, investment activities, and mutual assistance, our members work together to improve their livelihoods and build a more secure future for their families.

Vision & Mission

- **Vision:** To become a strong, self-reliant community group that empowers its members economically and socially through unity, savings, and entrepreneurship.
- **Mission:** To improve the welfare of members by promoting savings, investment, teamwork, and sustainable income-generating activities.

Our Values

- **Unity** — we grow stronger together.
- **Financial discipline** — consistent saving builds lasting wealth.
- **Mutual support** — no member stands alone in an emergency.
- **Enterprise** — turning skills into shared income.

What We Do

- **Merry-Go-Round** — rotational contributions and payouts among members.
- **Table Banking** — members save and access loans from a pooled fund.
- **Savings Program** — building financial discipline and long-term wealth.
- **Emergency Fund** — a safety net when members face urgent needs.
- **Income Services** — outside catering and filming & photography open to the public.
